Drees Custom Homes

2,647 Square Feet

3 Bedrooms

2.5 Bathrooms

2 Garage

1 Story

This modern one-story, open concept home has beautiful curb appeal and delightful charm. With an extended foyer immediately upon entering the home, you feel the warmth and quality. Tall ceilings prevail throughout the bedrooms and media, opening up to a grand family room with vaulted ceilings and fireplace. The kitchen boasts many upgrades including double ovens, and so much more. The master suite is perfect with ample natural light and spa-like owner's bath including a freestanding tub. The pocket office has been outfitted with extra cabinets and is conveniently located adjacent to the kitchen. This home also includes a media room for entertaining.
