2 Story

A beautiful study greets you upon entering the foyer of the Deerfield II. The family living area flows nicely together accented by a bountiful kitchen island, custom cabinetry, a walk-in pantry, and a cozy fireplace in the two-story family room. A covered porch awaits off the breakfast room for trendy outdoor living. The luxurious owner's suite will be your private retreat with a resort-like bath. Upstairs are two comfortable bedrooms and a generous gameroom. There's also a first-floor media room, perfect for entertaining!
