Welcome to this brand new two-story home with an open-concept layout and a grand foyer. The Sanderling home design showcases a show-stopping staircase and a foyer that leads into the main living areas. Whip up goodies in the gourmet kitchen featuring a large island, stainless steel appliances, a 36 inch built-in gas cooktop, upgraded tile backsplash, silestone countertops, and

LED under cabinet lighting. Spend time in the great room, enjoy dinners in the dining room with soaring ceilings or dine on the covered patio al fresco. After a long day, retreat to the primary suite with a large walk-in closet, relaxing garden tub, and dual vanities. Designer features such as the luxury vinyl plank floors in the main downstairs areas add a touch of warmth and entertain away in the gameroom upstairs overlooking the foyer. There is one thing for sure, this home aligns beauty and function!
