1 Story

The Kinglet home design is welcoming, open, and oozing with charm! Be led into the open-concept kitchen, dining space, and great room. Cook the day away in the gourmet Kitchen featuring a central island, 36" built-in gas cooktop, bright white silestone countertops, an upgraded picket design tile backsplash, LED under cabinet lighting, and an oven/microwave tower. Enjoy a

nice dinner in the casual dining room off of the kitchen or dine al fresco on the back covered patio. The primary suite bathroom showcases a walk-in closet, dual sinks, and a relaxing garden tub. While the luxury vinyl plank flooring in the main living areas brings warmth to the space. This popular plan makes life more functional and enjoyable!
